

## **RICHARD HASSEN**

*Graphic Designer*

### **EDUCATION:**

B.A. Arizona State University  
Art Center, College of Design, Pasadena

### **PROFESSIONAL HISTORY:**

Mr. Hassen joined Sociometrics Corporation in 2010. As part of the Sociometrics team, his work includes collaborating on a project for HAPPRA, the HIV/AIDS Prevention Program Replication and Adaptation, by designing for educational Adobe Flash multimedia presentations.

Prior to Sociometrics, Mr. Hassen worked in multimedia and print design. His clients range from individuals to non-profit organizations and from small businesses to growing companies. As a natural visual artist from a young age, he has a unique gift and ability to craft a visual impression suitable to the essence of each project.
