

SOCIOMETRICS PROJECT No. 16

MAINTAIN, UPDATE, AND OPERATE THE DATA ARCHIVE ON ADOLESCENT PREGNANCY AND PREGNANCY PREVENTION

This contract was a renewal of Sociometrics Project No. 3. Under prior contracts, 109 of the best data sets dealing with adolescent sexuality, pregnancy, and parenthood were acquired and made publicly available in standard, easy-to-use format. Under the present contract, twenty data sets were added each year to the archive. Focus was given to the archiving of the best *program evaluation* data sets. Technical assistance and user-training workshops were also provided. This contract was renewed as Sociometrics Project No. 29 (see also Project No. 105).
