

## **SOCIOMETRICS PROJECT No. 29**

---

### **MAINTAIN, UPDATE, AND OPERATE THE DATA ARCHIVE ON ADOLESCENT PREGNANCY AND PREGNANCY PREVENTION**

This contract was a renewal of Sociometrics Project Nos. 3 and 16. Under prior contracts, 155 of the best data sets dealing with adolescent sexuality, pregnancy, and parenthood were acquired and made publicly available in standard, easy-to-use format. Under this contract, six data sets were added each year to the archive (see Project No. 46 for a follow-on contract, and also Project No. 105 for related work).
