---

### **VALLEJO CITY UNIFIED SCHOOL DISTRICT TEENAGE PREGNANCY PREVENTION PROGRAMS (TAPP)**

This was Year 1 of a five-year grant from the California Department of Education to implement and evaluate a teenage pregnancy prevention program. The District selected two interventions that it would implement in two types of settings: (1) *within schools*, Postponing Sexual Involvement—Respecting Your Future; and (2) *within after-school programs*, SMART Moves. During Year 1 (1996-1997), Sociometrics conducted a process evaluation and developed a plan for evaluating the effectiveness of the Vallejo initiatives.

Related work was continued under Project 77.
