

SOCIOMETRICS PROJECT NO. 89

EVALUATION ASSISTANCE FOR HAYWARD TEEN PREGNANCY PREVENTION PROGRAM (SURVEY DEVELOPMENT)

The Hayward Unified School District (HUSD) is a recipient of one of the California Teen Pregnancy Prevention Grants (SB1170) administered by the California Department of Education (CDE). HUSD has selected the Community of Caring – Plus program, developed by the Joseph P. Kennedy, Jr. Foundation, as their primary strategy for their Teen Pregnancy Prevention Program (TPPP). Between late spring 1997 and summer 1998, Sociometrics collaborated with HUSD to design an evaluation plan and to develop a student survey. The present contract allowed Sociometrics to assist HUSD to conduct the evaluation and provide related technical assistance for HUSD fiscal years 1999-2001. Tasks included:

- providing technical assistance for survey administration;
- coordinating data entry;
- performing data analysis;
- completing required forms for the CDE evaluation; and
- writing reports for HUSD summarizing survey findings.
