

SOCIOMETRICS PROJECT No. 103

EVALUATION ASSISTANCE FOR THE PROMOTING AWARENESS-PRESENTING ALTERNATIVES (PAPA) PROGRAM

In June 1999, the Vallejo City Unified School District (VCUSD) received a grant from the California Department of Health Services, Office of Community Challenge Grants Program to continue the PAPA program, a community-based program to address pregnancy issues in Vallejo. Sociometrics was contracted to provide evaluation assistance for PAPA. Tasks included developing youth surveys and instruments to measure program participation and client satisfaction for the different program components, and helping VCUSD comply with state evaluation requirements.

This work continued through Project Nos. 111 and 120.
