

**PROMOTING EVALUATION, TEACHING, AND RESEARCH ON AIDS (PETRA)
PHASE II**

This SBIR Phase II Grant developed a set of three interrelated, research-based, web products and services:

- PETRA Product 1: an up-to-date archive of exemplary behavioral and social research data on HIV/AIDS (http://www.socio.com/data_arc/aids_0.htm);
- PETRA Product 2: HIV/AIDS teaching modules for the university classroom and for health professionals and practitioners (<http://www.socio.com/petra/>); and
- PETRA Product 3: a Web-based learning center for promoting best practices in HIV/AIDS prevention program development, implementation, and evaluation (<http://www.socio.com/hivrap.htm>).

Product 2, HIV/AIDS teaching modules for the university classroom and for health professionals and practitioners, will additionally be published as a book-cum-CD-ROM in June 2007 by a major publisher, Springer Publishing Company.
